

# BABIES AND TODDLERS

A variety of baby pouches and jars are available from the Chiller Cabinet. Our staff are on hand to help you in any way in the preparation of your child's meal, please ask if you need anything heating up or if you need an extra pair of hands.

We hope all parents feeding a baby, by the bottle or the breast, feel comfortable and supported. Please ask us to warm up a bottle, prepare you a drink and cake, and help with older siblings if required.

Older babies and toddlers love exploring different tastes and textures, and feeding themselves. This plate is especially for children at this stage. We use seasonal products and ask you to let us know if your child has specific tastes as we are happy to be flexible.
